

ORIGAMI "WISH" CRANE - Designed by Linda Mihara 2007

Video Instruction on Folding the Wish Crane for The Sunshine Kids at: tansustyle.com/crane

1. Mountain fold, then lightly unfold both #1s.
2. Valley fold, then lightly unfold #2.
3. Push up from under the center. The model will collapse into this...
4. Fold #3 in one direction, then in the other direction and then unfold.
5. Fold corner of paper toward center, make sharp crease on each line #4
6. Unfold the four flaps. Grab bottom point and fold upward along line #3 and let the sides collapse inward. Flip paper over and repeat.
7. Fold side corner toward center along line #5. Repeat on other sides.
8. Perform inside reverse fold along line #6. Repeat on opposite side.
9. On the side with eyes, perform inside reverse fold to form beak.
10. Fold wings down and pull wings out to expand body.

Mountain Fold

Valley Fold
